For The Troops is an all-volunteer nonprofit that sends over 1,800 care packages monthly to deployed military personnel. Each month our postage expenses run over \$20,000. Operating out of a 3,500 square foot donated storefront in Simi Valley, our mission is to provide service members with personal care packages. We mail everything from snack items, socks, moist wipes, toiletries and magazines to letters of appreciation from our many donors, school children and volunteers.

Since 2005, over 180,000 "We Care" packages have been sent to America's Finest. Please help us reach our goal of reaching 200,000 care packages by next year.
